The Annual Quality Assurance Report (AQAR) of the IQAC

ACADEMIC YEAR: APRIL 1, 2013 to MARCH, 30 2014

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision: The main vision of our institution is to impart quality education among the women of rural areas, especially in this part of North Bengal. Ours is the only girls' college in this district under Gour Banga University. We have a broader vision to illuminate our women in the direction of higher education so that they may be able to fight ignorance, superstitions, illiteracy and poverty in the villages and society they represent. Our students from all communities, religion and background are equally treated and are supported in every respected possible.

Mission:

- Our college falls under one of the semi urban belts of North Bengal and most of our students come from marginal and farming households and they may be perhaps the first generation students, in this regard, our main mission is to empower these women with the values of education and opportunities that comes along with it.
- We aim to generate enough awareness among the students the sense of competence and creativity to meet the challenges in all their future endeavours.
- To involve in innovative activities in teaching and learning and equip ourselves to meet the State and National Goals in terms of furtherance and strengthening Higher Education at Under Graduate Level.
- To impart quality education to the students, make them able to face examinations of all types and also to motivate them for further education. And to strive for excellence.
- To promote and preserve our cultural heritage, human rights, moral values and environmental ethics among the students.

6.2 Does the Institution has a management Information System

Management: The Highest decision making body of the college is The Governing Body : The GB also is responsible for all management processes of the college. The individual sub-committees of the college on the other hand is involved in all the academic and operational processes.

College has its own Webpage and all our information and notices are fed in the public domain for public information.

Our Online mode of admission is also operational, where students from any part of the world can apply and take admission in our institution, however we don't have any database to keep the records of online visits made by individuals worldwide.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The College follows the syllabus and course curriculum framed by the University of Gour banga, and hence there is no scope for any internal curriculum development. However our teachers, in their various capacities as board members and members of the stirring committees of the University, participate in the process of curriculum development for UG. Apart from this, each Department follows its own academic calendar to complete the syllabus.

6.3.2 Teaching and Learning

The following initiatives have been taken by our college towards developing Teaching and Learning:

- Framing of detailed plan in the Academic Calendar highlighting the content and class schedule for each Academic Year enables the teachers to plan their lectures and the students to be prepared for their classes and examination.
- We encourage informal departmental meetings so that the teachers are aware of their students' progress and progress of the curriculum. We conduct internal examination in the line of University Examination which is helpful for meeting students' academic needs and addressing to the same.
- We encourage our teachers to use computer assisted, demonstrations and visual mode of teaching where ever required.
- Study tours are regularly organised by respective departments to give our students a first-hand experience of "learning through observing". Our students are encouraged to participate in personality development programmes like "Mock Parliament" which is a successful tool for promoting education for understanding. We encourage our students to participate in various government and private sponsored Exhibitions and Seminars to educate themselves about the recent advancements in their respective subjects.

6.3.3 Examination and Evaluation

Each Department holds an Annual Internal Examination before the University Final Examination, this give enough scope for self evaluation and preparation both for the students and teachers.

6.3.4 Research and Development

College provides enough encouragement, scope and opportunity for our teachers to pursue their Ph.D and other research activities. College also encourages the teachers to undertake minor research projects funded by government and other agencies.

Teachers are allowed to attend Seminars, Workshops, Orientation and Refresher courses whenever they ask for.

Space and available infrastructure support is provided to the teachers to carry out their research projects.

IQAC organises special programmes and seminars where maximum students' participation is encouraged.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Our Library resource is updated every year, we have updated the number of books.

Computer and internet facility in the library has been updates/installed.

Facility of Lending of books and study material to the teachers and students are well managed as well as there is a reading space in the library.

Library also maintains a hardcopy collection of previous year University Examinations which are readily available for the students and teachers for reference.

6.3.6 Human Resource Management

College Governing Body manages and decides all the issues primarily related to Teaching, Non teaching and Students' affairs and the total Human Resource of the institution.

Besides GB, Student's Union always plays an important role in managing college students' welfare and affairs.

The Teachers' council and the Non-Teaching Association also look after their respective affairs.

6.3.7 Faculty and Staff recruitment

Permanent Faculty Teachers are recruited as per the recommendation of the College Service Commission of WB, Non-Teaching staff and Part time teachers are recruited as per the Govt. Norms and Rules. Contractual Teachers, Guest teachers and temporary staff are recruited by an expert committee as directed by the Governing Body of the College.

6.3.8 Industry Interaction / Collaboration

So far the college has no any collaboration or interaction with the industry

6.3.9 Admission of Students

Students who have passed in their Higher Secondary Examinations are admitted to the various courses on Merit basis. We have online mode of admission where students can apply for all the courses. Merit list of students are published in different Honours and General subjects separately. Students are then called for pre-admission counselling and are allowed to select their course of interest and are then admitted to respective courses.

6.4 Welfare schemes for

Teaching	Provident Fund scheme is available for teachers
Non teaching	Provident Funds and Festival Advance, Puja Bonus etc are available for Non--Teaching Staff
Students	Free Studentship and Various Scholarship Schemes are available for the students, Student-Aid Fund, Medical facility etc are available for the students.

Other Welfare activities in the college include:

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Our teachers provide quality education by means of visual demonstrations and other methods. (Dept of English, project of pronunciation, local field visits taken by Dept of Geography and other Science Departments)
- Teachers are encouraged to pursue their research works and impart their experiences to the students. Institution has provided them enough space and support.
- Students are admitted to all the courses of the college through a transparent and impartial mechanism which involves merit list preparation followed by counselling. Our online mode of application has allowed all the deserving students to apply even if they are in remote location and other areas.
- Internal examination was conducted ensuring participation of all the students. This helps both the students and teachers for introspection and self evaluation.
- *Students Participation:* Students participated in all the programmes organised by the college (NSS Programme) Student's Union Election was performed peacefully and students participation was very vital which promotes leadership quality among them.

(The above mentioned points may be cited as best practices if not innovation)

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- The Governing Body of the college takes decision to allow teachers for attending research oriented programmes to improve quality education and academic performance.
- The Governing Body of the college takes decision on appointment of guest lecturers on merit basis for maintaining qualities of faculty.
- Out Students participated in "Mock Parliament" with full enthusiasm. These types of co-curricular activities are encouraged for personality development and to promote quality education.
- In execution of Govt. and University Programmes and Field trips undertaken by different Departments, the college with the involvement of different stake holders succeeded in highlighting the course of Education to ensure Women Empowerment.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- Formation of Students' Counselling Room.
- Special Programme organised by NSS to promote social responsibilities and communicating with the students: Special Awareness Programme in Dhaul & Chandradaullya village, There was a special programme organised to beautify college garden and cleaning up of campus.

**Provide the details in annexure (annexure need to be numbered as i, ii,iii)*

7.4 Contribution to environmental awareness / protection

- NSS unit of the college always encourages the Faculty, Non-Teaching and the Students to keep the campus clean and green by planting trees and by keeping the campus plastic free.

No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength:

- Ours is the only institute that provides Undergraduate courses to women in this part of Dakshin Dinajpur. Therefore we have a special responsibility to reach to the masses specially the women of this area and give them an educational and cultural enlightenment and better career perspectives.
- We hold admissions and appointments through a transparent and committed process.
- Over the years the college has grown and now has adequate number of class rooms and infrastructure facilities. We have a separate Science building for UG-Science with Honours in Botany and Zoology. We also have introduces modern subjects like Journalisms and Mass Communications and Physical Education.
- We ensure harassment and Raging free atmosphere in the college. The students and teachers hold a good relationship.
- The college authority gives full support to students and teachers alike for career development and capacity building

Weakness:

- The different department of the college suffers from inadequate number of regular faculty members and lack of qualified technical staff in science departments and the library.
- Insufficient funds for college development

Opportunities:

- Being a women's college the college has every opportunity to educate the weaker section of the society specially the women. We have enough space and opportunities to bring about innovative changes in teaching and learning, laboratory and library resources.

Challenges:

- To achieve excellence in results in various courses we offer in University Level
- Increase financial availability and source of funding
- Efforts to pull out/change mindset of conservative parents and students
- Improve communication skills and develop global competencies among our students and encourage them for higher education

8. Plans of institution for next year**Short term Plans:**

- Initiate the process of Second Cycle of NAAC accreditation.
- Provide computer and internet facilities to all the departments.
- Purchase of essential laboratory equipment and upgrade Library facility, college magazine publication.
- Organize seminar with funds from UGC
- To undertake college development programme under IQAC
- To start Honours course in Journalism and Mass Communication
- Upgrade College website and UG admission process
- Distribute scholarships received from the government to all the deserving students and also to award Free Studentship from the college fund.
- Encourage faculty members to increase their participation in research-oriented activities and other innovative activities

Long term plans:
